OUR LAST APPEAL.

Before another issue of this paper is printed ballots will be falling into the boxes at the 12 voting precincts in this county and the INTERIOR JOURNAL desires a confidential talk with the democrats of Lincoln county right now. First place unless every democrat does his whole duty democratic success is far from certain. The republicans have a big campaign fund, we are reliably informed, and if they get that class of voters known as "floaters," and money can and does get them, Lincoln county will for its first time in history have a republican sheriff. It is no secret that Mr. Menefee, the ex-democrat nominated for sheriff by the republicans, is a strong man, a good campaigner and an indefatigable worker. He made a good race four years ago for the office he now seeks, and being older in republican ranks and in better fellowship with the party he has recently cast his lot, it is reasonable to believe that he will run a better one this time. It is true the majority against him last time ran up to 218, but for the sake of argument let us say that he is 100 votes stronger, when he is four years older in his adopted cause, and then what will the result be?—dangerously close. We believe as firmly as we believe anything that Mr. Hill will win, but we think the race will be close and that it will be necessary for every democratic voter to not only vote but see that his neighbors do likewise to "make Mr. Hill's calling and election sure." A partisan republican sheriff could and would break up the democratic organization in Lincoln county and as recent converts are always the most partisan, we might naturally expect Mr. Menefee to "raise heaven and earth" in his effort to destroy democracy and democratic enterprises. We can not afford to turn down a good democrat and man like Mr. Hill, whose fitness for the office is questioned by none, but on the contrary we can afford to take a day or so off and use our every effort to elect him by a majority so decisive that will cause his opponent to cease from troubling for a season at least.

In the race for Representative it looks to us as if Mr. Jesse M. Alverson is an easy winner, but that should not keep the democrats from working and voting for him. Nothing is absolutely certain except death and taxes, so take nothing for granted, but do all you can for the splendid young democrat, who can do more in a day for his constituency than Pedagogue Hubble, his republican opponent, could in a month of Sundays. Experience is a great advantage to members of the General Assembly, and Mr. Alverson will profit by his and will be able to make even a better record this time than last. Mr. Hubble is said to be a very clever young man but we can not believe he is of the stuff statesmen are made.

Mr. W. I. Herrin is about as certain to succeed himself as jailer as election day is to come, but he will appreciate your support just the same, for his pride makes him want to roll up as big a majority as possible against Peter Straub, whom the republicans pitted against him. That Mr. Herrin has made a model jailer, not even his republican opponent will gainsay. Give him another term as an endorsement of his splendid record.

For State Senator the democrats nominated a splendid gentleman in Mr. R. L. Hubble, whose democracy is un-

questioned and who has done yeoman service for the party he loves. He is one of Lincoln county's best citizens and most extensive farmers and traders, a man of affairs and a very level-headed one. He will carry Lincoln by a good majority but that alone would not elect him. In his district are three other counties, Boyle, Garrard and Casey. Let's show our appreciation of him as a man, democrat and citizen by giving him at least 400 majority. It ought not to be hard to do this against the kid-gloved autocrat from Boyle. Mr. Hubble's name is the first on the ballot. Mark in the CIRCLE just over it and under the rooster and your vote will be recorded for him as well as the rest of the democrats who are running in this county.

For magistrates, Lincoln county democrats nominated Messrs. J. A. Dudderar, in the Stanford district, W. M. Dudderar in the Hustonville district, D. J. Smith in the Crab Orchard district and D. R. Adams in the Waynesburg district. Vote for them. They are good men all of them and the county's affairs will be safe in their hands.

Messrs. R. C. Warren for judge, Garland Singleton for school superintendent, W. A. Carson for assessor, George B. Cooper for clerk, and W. S. Burch for attorney, are given no opposition by the republicans but you should vote for them just the same, thus showing your appreciation for them as nominees, democrats and citizens.

As a last appeal let us insist that every democrat in Lincoln county go to his respective precinct next Tuesday, Nov. 7th, and vote the straight democratic ticket by stamping IN THE CIRCLE UNDER THE ROOSTER. Do this and you will have spent the day well and profitably, and will feel better for it in after years.

A DENVER jury has decided that it is not libel to associate the name and photograph of a life insurance genius with those of notorious burglars. This is tough on the burglars, many of whom are too honorable to make a business of robbing widows and children.

By a tie vote of 2 and 2 the New York City Board of Elections rejected the republican party's request to place William T. Jerome's name in the republican column of the official ballot as a nominee for the office of district attorney.

There never has been and never will be a fairer way of registering a man's vote than by the open ballot. The voter stands and sees the clerk of the election write his name, and a figure in the column of every candidate he votes for in the ballot.—Glasgow Times.

The fusion tickets of Pineville and Middlesboro, nominated by petition against the republican tickets for councilmen, were denied an injunction by Judge M. J. Moss, of the circuit court, which sought to force the county clerk to place their names on the official ballot.

Herb W. Edwards Injured.

Herb W. Edwards of Des Moines, Iowa, got a fall on an icy walk last winter, spraining his wrist and bruising his knees. "The next day," he says, "they were so sore and stiff I was afraid I would have to stay in bed, but I rubbed them well with Chamberlain's Pain Balm and after a few applications all soreness had disappeared. I feel that this bottle of Pain Balm saved me several days' time, to say nothing of the suffering." This liniment is for sale by all druggists.

To The Voters Of Lincoln County.

I have been selected by the republican executive committee as the republican candidate for sheriff. I accept the nomination and respectfully ask the support of the voters of Lincoln county. As to my qualifications to conduct the business of this important office I refer to my former record as sheriff.

Respectfully,
JOHN N. MENEFE.
